## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and the Citizens of the Washington School District:

The superintendent of schools submits this his third annual school report for your consideration.

### **School Organization**

School Board: Perley H. Crane, chairman; Mrs. Amy Farnsworth; John V. Dyer.

Superintendent of Schools: Vincent Gatto, Ed. M., Hillsboro, N. H.

Teachers: Mrs. Ada Wagner, East Washington, salary \$900.00, New Hampshire teaching license. Mrs. Ruth Ladd, Dole School, salary \$900.00, New Hampshire teaching certificate. Miss Anna Wilgeroth, Center School, salary, \$800.00, New Hampshire teaching license. All the teachers are normal school graduates.

The following pupils were graduated from the public schools of Washington last June, 1937:

Madeleine Lord, Robert Appleyard, Warren Hayford, Marjorie Dodge, Frank Pavelicek, Rose Pavelicek, Alice Hoyt and Carl Hoyt.

The following pupils deserve honorable mention for having maintained perfect attendance during 1936-1937 for the number of terms indicated. The year consists of four terms of nine weeks each.

Center School: Leon Paquette, one term; Eunice Ramsey, one term. Madeleine Lord, entire year; Robert Appleyard, entire year; Ruth Johnson, one term; Phyllis Gaudette, three terms; Laurence Powell, two terms; Lois Powell, one term; Warren Hayford, one term; Lyle Buffum, one term.

Dole School: Louise Duefield, entire year; Hazel Woodrow, three terms; Henry Daigle, entire year; Mary Day, three terms; Thelma Hoyt, two terms; Robert Crane, two terms; Phyllis Laro, two terms; Alice Hoyt, one term; Robert Duefield, two terms; Isaac Hoyt, one term.

East Washington : Clinton Cornell, two terms; Ruth Cornell, one term; Irene Remes, one term; Arthur Tucker, one term; Freddie Tucker, one term; Jennie Tucker, one term.

### **General Discussion**

As a result of the superintendent's visits to the various schools, and tests given, we are pleased to re-

port that our pupils taken as a whole are progressing according to their ability. They also compare well with the children of their ages and corresponding grades in the state and the country.

Thanks are due to the general public in Washington for their efforts and generosity in making possible the dental clinics which the school children have enjoyed. An ounce of prevention is worth a pound of cure. Examinations reveal that the most common ailment among school children is defective teeth. This is an evil which causes many complications when it is not remedied.

The school board deserve the gratitude of the entire community for the generous amount of time and pains they take to properly care for the best educational interests of the school children. Thanks are also due to those mothers through whose influence and support new seats and desks for the Center school, and current literature for all the schools were made possible at the last annual meeting of the school district.

After considerable negotiation with several sources our hope for a music supervisor was realized last fall. Miss Emma Yeaton of Hillsboro, and a recent graduate of the music department at Plymouth Normal School has been engaged as teacher. Her services already show fine results in the school life of the pupils.

Miss Margaret Harris of Keene has replaced Miss Ruth Whitcomb as school nurse. It is hoped that the school nurse will be received in our homes and schools as a friend, and guide in questions which deal with the physical welfare of the children. The nurse's call at any home casts no reflection on the social standing of anyone in the community, for sickness is no respecter of persons.

The schools opened last fall with enrolments as follows: East Washington 9, Washington Center 18, Dole School 17, making a total of 44 children. Ten boys and girls from Washington attend Hillsboro High school. This means that over 18 per cent of our school population takes advantage of secondary education. This is a most creditable proportion. Our percentage of high school pupils could be still higher if some parents did not have to face what is apparently a financial hardship, namely the transportation of their children to high school. We hope that sooner or later this hardship will be removed.

Last June eight boys and girls received diplomas from the Washington elementary schools. The graduation exercises were held in the town hall. The occasion proved to be one of the outstanding events of the year, in the town.

It is a pleasure to report that the policy of school house improvement is being kept up. Today the school buildings are in much better condition than

they have been for many years. Further improvements are essential. Let us strive to realize the needed improvements. The children deserve them, and must have them in order to enjoy equal educational advantages with the boys and girls of the rest of the country.

Respectfully submitted,

VINCENT GATTO,

Superintendent of Schools.
